

One-Owner Mid-Century Home In Prime Location

509 8th Avenue East, Sisseton, SD 57262

Meticulously maintained by the same owner since 1959, this charming mid-century home offers character, space, and comfortable family living. The open main level features an eat-in kitchen with stainless steel appliances and granite countertops, formal dining and living rooms, plus a family room opening to the deck and fenced backyard.

Three spacious bedrooms are located upstairs, while the lower level offers a flexible fourth bedroom or home office with separate entry, additional bathroom and laundry, and a second family room with fireplace, built-ins, and a full-size pool table. An attached two-car garage, detached storage shed, large yard, 2022 exterior paint, and 2015 roof complete this well-loved home.
