**AGRICULTURAL RISK COVERAGE - COUNTY OPTION  
(ARC-CO) AND PRICE LOSS COVERAGE(PLC)  
CONTRACT**

**THIS ANNUAL ARC-CO AND PLC CONTRACT** is entered into between the Commodity Credit Corporation (CCC) and the undersigned producers on the farm identified in Item 4. Upon approval, this farm and the producers on the farm are enrolled in ARC-CO and/or PLC for the program year identified above in Item 1. All producers with a share in base acres and/or a share of covered commodities planted that attribute generic base acres must sign this contract by the announced enrollment deadline of the applicable program year in order to participate and make themselves potentially eligible to receive payments for the applicable program year.

The terms and conditions of the ARC-CO and PLC contract are contained in the CCC-861 and CCC-862 Appendix and the regulations at 7 CFR Part 1412. By signing this contract producers: (1) acknowledge receipt and agree to abide by the terms of the CCC-861 and CCC-862 Appendix; (2) agree to comply with the terms and conditions of the program and those governing payment limitation and eligibility and adjusted gross income limitation provisions; (3) agree that the terms and benefits of this program are subject to changes in law; and (4) certify that all the information contained on this form, whether or not personally entered by the producer, is true, correct, and accurate.

**NOTES:** PLC yields in item 10 are only used in the payment calculation of covered commodities that have elected PLC. Generic base acres are reflected below. If the farm has generic base acres, any producers sharing in covered commodities planted and attributing generic base acres must sign this contract or that share of attributed base acre will not be paid.
